In future, the technology might be able to ...

Poker - Wikipedia

Poker is any of a number of card games in which players wager over which hand is best according to that specific game's rules in ways similar to these rankings. Often using a standard deck, poker games vary in deck configuration, the number of cards in play, the number dealt face up or face down, and the number shared by all players, but all have rules that involve one or more rounds of betting.. In most modern ...

Hacking A Mitsubishi Heat Pump Part 1 - Chris Davis' Blog

I recently installed 4 heat pumps in my house to provide heat in the winter and AC in the summer time. While the weather year round in Seattle is fairly pleasant, there is about a month in the summer where life is miserable if you don't have air conditioning - a rare luxury in residential homes in the Pacific Northwest. I had 4 Mitsubishi MSZ-FH09NA Heat Pumps installed in my home. They each ...

Hack from Home

OK Google: make this Nest hack a standard feature

Note that because this hack connects both the Y1 and G terminals to the fan control (typically green) wire, you can't use this hack along with an actual air conditioner. On the other hand, if Nest were to implement a dedicated fan-only mode in firmware, the jumper wire would not be needed and a fan-only mode would not preclude the Nest's standard, A/C-connected Cool mode.
