Loser Reborn by MediBang

Loser Reborn is a JRPG parody that pokes fun at the genre while also exploring what makes a game a JRPG. Tactical turn-based combat without the grind. No enemy will grossly overpower you in this game, but to fight you not only have to know the skills of every class but also learn their attributes and action patterns. The good news is, though, that no grinding or item farming is needed in any level of Loser ...

Mods - Doom Reborn - Mod DB

Doom Reborn is a total conversion of the original Doom Series. Our goal is to recreate the original Doom & Doom 2 in the idTech4 engine with new textures and new models of the original weapons and monsters with the maps redone and retextured. We also want to bring back the original doom music along with the sounds remade in a higher quality. Doom Reborn is and always will be a non profit project.
