Battle Royale | Cod Mobile Hacks

Classic Battle Royale textures are totally different compared to multi-player gameplay in Call of Duty Mobile. You won't be opportune to start with your chosen loadout, you can't just respawn at will and there is a much larger play area. It's a much more strategic game than the battle of multi-player. Even the UI is slightly different.

Therefore some of us came together and started to develop a Mobile Royale hack apk, which can generate free Crystals on every Android and iOS smartphone and tablet. Right now it works perfectly well on every platform. Only a working internet connection is required to run the hack. The whole process only takes around a minute, but the effect is tremendous. It saves you so much money and time.
