Radica Golden Tee Trackball Hack - benheck.com Forums

These Golden Tee trackballs are only around \$17 now. Excellent. I was wondering if you'd considered using something like damn small linux installed on a USB key to hack the Golden Tee track ball into a near-true standalone gaming system. Sure, it would still require a computer to plug in to, but that's ok.

Golden Tee Golf (iOS) Review - Wilcox Arcade

Golden Tee Golf would boast a decently solid selection of content if so much of it weren't being pawned off to the player at any given time. One look at the main menu makes it immediately clear that this is yet another mobile game built around its own dastardly economy. Let's start with what doesn't suck. You've got four primary game modes: Challenges, Head to Head, Contest, and Campaign. I got a ...

Golden Tee Golf keeps statistics on this kind of stuff. “We have such a long history that sometimes it’s difficult to find new looks, locations and strategies that haven’t been done before,” he said. Once an underlying theme is decided, Zielinski utilizes Google Earth to find real-world locations that fit and to study topographies. “We try to pinpoint a specific location. An exact location gives our artists a ...
