Android Auto Keeps Disconnecting: What To Do & Solutions To Try

Android Auto disconnects can be common and the list of suggestions a person can try to fix them is a little absurd. For example, many owner's manuals suggest things like bringing your vehicle to a manufacturing facility or contacting the dealership. While it's possible those could be viable, last-ditch options, there are some things you can try from the comfort of your home or car that don't involve ...

7 Online Multiplayer Games To Play With Friends

Your story is worth celebrating, and more importantly, you are worth celebrating. Even when it doesn't make sense. Especially when it doesn't make sense. 1. Realize that your story is yours. Yes, this may seem obvious, but we so often forget. While we may say that our story is completely ours, we so easily let others take over our stories without even realizing it. Don't get me wrong. We need ...
