Hack: Invincible Kinnara? - support - War Dragons

What concerns me more are the very intelligent hackers who will use this same hack to enhance a top end dragon, but only just enough that it's not blatantly obvious like kinnara. If a Gig can clear a top base with 102s without a scratch, is that ok? The very smart hackers will also not use an exploit every time, so their dragons will die on some bases. This makes it so hard to prove, yet still ...
