Homescapes Hack - Hacks for Android and iOS games. No Root

The principle of the game itself Homescapes Hack is very simple - collect the chips "three in a row". The more chips you collect together, the better bonuses are waiting for you. For example, by adding four chips of the same color, you get a bonus "bomb", which explodes and destroys neighboring chips. Adding five identical chips, you get a zipper, which clears the entire strip of chips on top and ...
