10 Reasons To Pick Up .hack//G.U. Last Recode | TheGamer

The battle system in .hack//G.U. has always been real-time instead of turn-based. In G.U., when the player encounters monsters, an arena appears that is big enough for the characters to dodge and execute strategy in. Players can usually choose two other NPCs to accompany them into battle. There are multiple healers, tanks, and mages to choose from, allowing for an interesting mix. ...

CD Projekt Red say staff data stolen in hack might be circulating ...

CD Projekt Red's internal systems were hacked back in February, with the attackers leaving a ransom note claiming they'd nabbed copies of the source codes for Cyberpunk 2077, The Witcher 3 and Gwent. Last week, reports that source code was being shared online surfaced, after the hackers put them up for auction. Now, however, it seems game data might not have been the most sensitive information ...
