Hack App Data (APK) - Free Download

If a user app or system app has saved data on your device—and almost all will—Hack App Data lets you view that data. View takes on different meanings depending the format of said data. Hack App Data can even play the data in the cases where data is video, music or some other media. This app also gives you the tools to edit that data in many cases. This is perhaps most useful when that data is stored in a text ...
